

A deputation consisting of Messrs. D. C. McDonald, John Law, W. H. Phillips and J. B. Schram was introduced.

Ald. Stringer moved, seconded by Ald. Williams, that the deputation be heard. Carried.

Mr. Law explained the object in view by the deputation. It was to procure a free grant of land from the Government to be located upon by the unemployed in this city. A Colonization Society is at present being organized to carry out this

scheme. It was expected that the city would help to maintain the emigrants in their new territory for a short time.

Messrs. D. C. Macdonald, W. H. Phillips and B. Schram also addressed the Council in reference to the Colonization scheme.

Ald. Skinner moved, seconded by Ald. Williams, that Aldermen Campbell, Powell, Williams, Keenleyside, J. R. Peel, Glass and Stringer be a Special Committee to co-operate with the Colonization Society and report to this Council.

Board adjourned for two weeks.
